

TELESCOPIC SUPPORT ARM

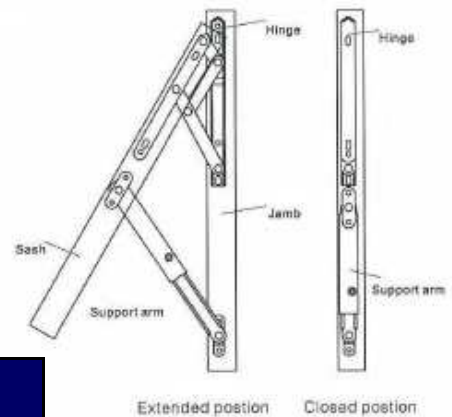

Telescopic Support Arm:

- Manufactured from high grade Austenitic Stainless Steel.
- Tel series on top hung windows to limit the opening. The vent can be locked open at a desired position for ventilation and to prevent sudden closing during wind gusts. To unlock the support arms from its opening position, simply lift the sash and slightly close.
- TELK-14" is suitable for Top Hung windows, it allows 5 different restriction points.
